

ESTR CAREER
EXPLORATION
SPRING
PRACTICUM
2021

*Thompson Rivers
University*

*Horticulture and
Landscaping*

WHAT I LEARNT AND THE WORK I ACCOMPLISHED

- I planted vegetables
- I built a retaining wall
- I learned about pruning trees

THE EMPLOYABILITY SKILLS I DEVELOPED AND DEMONSTRATED

- Getting to work and being ready to work on time
- Helping out and being part of a team effort
- Finishing the job even when tired

THE TASKS I LIKED WERE

- Driving the machines, especially the tractor
- Building the patio with paving stones
- Planting trees
- Transplanting flowers

AT THE PRACTICUM I LEARNT THAT

- I like working as a team
- I like working outside
- I like looking after plants
- I like operating machines
- I like learning new skills
- I learnt how to make retaining walls
- I learnt how to make a stone patio
